

Child Protection and Safety Policy

Statement of Commitment to Child Safety

The Good Shepherd Lutheran Primary School is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program.

At The Good Shepherd Lutheran Primary School we have a zero tolerance for child abuse and are committed to acting in the children's best interests and keeping them safe from harm. The School regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all the relevant child protection laws and regulations and to maintain a child safe culture.

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence.

Child Safe Principles

The Good Shepherd Lutheran Primary School's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interest of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safety Code of Conduct and Staff and Student Professional Boundaries Policy.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our school community.
7. Procedures are in place to screen all staff, volunteers, third party contractors** and external education providers, as all are involved in child-connected work.
8. Child safety and protection is everyone's responsibility.
9. Child protection training is mandatory for all School Council Members, staff and regular volunteers.
10. Procedures for responding to alleged or suspected incidents of child abuse are simple and accessible for all members of the School community.
11. All children, especially those who are vulnerable for whatever reason, have a right to care and support.
12. Children from culturally or linguistically diverse backgrounds have the right to special care and support including those who identify as Aboriginal or Torres Strait Islander.
13. Children who have any kind of disability have the right to special care and support.

** There may be some specific circumstances where a third party contractor may not be screened by the school. If this occurs specific processes will be put in place to ensure that the un-screened contractor will not be left unsupervised on the school grounds at any time.

- Clear procedures for responding to and reporting allegations of child abuse.
- Strategies to support, encourage and enable staff, volunteers, third party contractors, external education providers, parents and students to understand, identify, discuss and report child protection matters.
- Procedures for recruiting and screening School Council members, staff and volunteers.
- Pastoral care strategies designed to empower students and keep them safe.
- Policies with respect to cultural diversity and students with disabilities.
- A child protection training program.
- Information regarding the steps to take after a disclosure of abuse to protect support and assist children.
- Guidelines with respect to record keeping and confidentiality.
- Policies to ensure compliance with all relevant laws, regulations and standards (including the Victorian Child Safe Standards)
- A system for continuous improvement and review.

As part of The Good Shepherd Lutheran Primary School's induction process all staff and Direct Contact Volunteers are required to complete a selection of training modules on the content of our Child Protection Program.

All staff, volunteers and School Council members are provided with additional, ongoing child protection training at least annually.

Staff, volunteers, third party contractors and external education providers are supported and supervised by the School's Child Protection Officer to ensure that they are compliant with the School's approach to child protection.
