Child Safety Code of Conduct

The Good Shepherd Lutheran Primary School Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards students. The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the School environment. It provides guidance on how to best support students and how to avoid or better manage situations which may potentially put adults at risk of breaching the Code. Where a staff member breaches the Code, The Good Shepherd Lutheran Primary School may take disciplinary action, including in the case of serious breaches, summary dismissal. The School reviews the Code annually.

The Good Shepherd Lutheran Primary School has the following expectations of behaviour and boundaries for all adults interacting with students within our School community. Report Any Concerns

The Child Protection Program also includes information for members of the School Council, staff and volunteers as to how to identify key risk indicators of child abuse and how to report child abuse concerns to one of our School's nominated Child Protection Officers. It also contains detailed procedures with respect to the reporting of child abuse incidents to relevant authorities.

Third party contractors, external education providers, students, parents or other community members who have concerns that a child may be subject to abuse are asked to contact one of the School's Child Protection Officers.

Communications will be treated confidentially on a 'need to know basis'.

Whenever there are concerns that a child is in immediate danger, the Police should be contacted on 000.
